Russia, where you will be dealt with in so cordance with the pleasure of the cran."

contains with the pleasure of the orar."

"As you please.
At a sign from the secretary, Rudessdorf again took up the paper, which he this time read through without interruption. Coming to the end, he nodded so the grand at the door, who at one secret forward and laid hands upon Gordon. He made no resistance, and without a word passed cut of the cabin, apparently too absorbed in thought to take head of immediate circumstances.

I made a movement to follow him, but

Rudersdorf, who had riscu and new stood by the door interposed.

"We have not done with you yet," he said stem;. "Six down there." I smated myself in the chair he pushed toward me.

For a few minutes he and the old gentleman conversed in a jargon that I could not understand. Then with the same brunged manner he addressed me again.

"You hou't feign ignorance, I suppose?" he continued rudely. "You understand Rinsdan!"

"Not such Rinsdan as you two have been

Rinelan?"

Not such Russian as you two have best speaking together, "I regired, speaking as I histoicouly did, in French.

"Oh, if you understand French, we can get on," said he in that hisgones. Now, then, your name is Aura Solition?"

"I rever heard the name."
"All and you were not born at Kiel?" he said, glacoing at a paper.
"No."

"And of course you haven't got any pa-

The same old game," he muttered, with

"The same old game," he mattered, with a shrug, glausing as the old gentleman.
"And also, of course, you have not been living for nearly a year under the same roof with Prince Borguess," "Yes, I have," I replied, with pride.
"On, event It's something to get that admission out of you. Well, having lived with him so long, you may happen to have brard semething about Sherjai."

admission of the Novemby happen to have braid smothing about Siberial." Asked in as bold a test as I could resulted in as bold a test as I could resulted in as bold a test as I could resulted in the bold a test as I could resulted in the bold. "Who is a oring?" he rebood slowly. "You are if you're not prudent.

He gave time for this threat to sink into my mind by speaking to his scoretary. "Now then," he wont on," as you value your life answer me the truly. Who at he man who has just left this eather. Who at he man who has just left this eather. I made so reply. The old gentleman, with a most orbane sonie, interested.

"Mademassel's kensel' by hir own word and sel has raised, who have our tribing distite—as allow we have our tribing distite—as allow we have our tribing the branch has provided and and the provided who have the tribing the provided in the provided the tribing the provided in the tribing the provided the tribing the provided and and the tribing we have our tribing the provided the tribing the tribing the provided and the tribing the provided the tribing the provided and and the tribing the provided the tribing the provided the tribing the provided and and the tribing the provided the trib I then hereantly or not.
